## The Healing Power of Plants Series

**M**ore and more people every day want to learn about the healing power of plants!

This masterfully produced series presents a world of discovery, mixing beautiful 2D and 3D animation, along with traditional knowledge and botany, to illustrate how ancient myths and nature are interconnected.

Here we are imaginatively introduced to Greek and Latin legends, sagas and tales, which reveal the origin of 52 medicinal plants; also we are shown recipes and some practical uses of each.

Each program includes the study of 10 or 11 plants. 2006 Produced by RTSI, Inc.

5 DVDs, Videos or Digital (WMV, MOV) Files; also 52 Digital Clips
